1. Background:

Eternal is committed to fostering a culture of equal opportunity and inclusion in all aspects of our operations. We believe that creating a diverse and inclusive workplace is essential for achieving our mission and goals. We create an environment that welcomes and respects everyone regardless of race, ethnicity, gender, sexual orientation, age, religion, disability, or any other characteristic protected by law.

2. Scope and Applicability:

This policy applies to all on roll employees of Eternal Limited ("Eternal") (formerly known as Zomato Limited), including fixed-term and interns.

3. Guidelines:

• **Equal Employment Opportunity:**

We ensure equal opportunity in every aspect of the employment relationship, including but not limited to hiring, promotions, training and development, compensation, and benefits. At Eternal, all hiring decisions are based on the applicant's professional competence and the organisation's requirements. To address conscious and unconscious biases in our recruitment process, we ensure that hiring decisions are made collaboratively, involving multiple stakeholders rather than relying on one individual's judgment. We have undertaken initiatives to promote a bias-free culture and focus on recruitment collaborations that encourage diversity hiring. These initiatives include holding a diversity, equity and inclusion survey for all our employees and holding workshops for internal teams on 'Unconscious Biases' with an aim to ensure common biases are easily identified and tackled. As part of our commitment to fostering a supportive and inclusive work culture, we have four active employee resource groups (ERGs) at Eternal for women, mothers, parents, and members and allies of the LGBTQIA+ community. Employees are encouraged to be part of these groups as members of the respective communities and as allies. We are also members of women-focused sourcing platforms such as WeConnect International and conduct targeted recruiting events such as our Women and Trans-only hackathon.

• **Equal Opportunity for Persons With Disabilities:**

We aim to ensure that all our facilities and offices are accessible to everyone, and we believe in providing equal opportunities to persons with disabilities. Our commitment is guided by the provisions of the Rights of Persons with Disabilities Act, 2016 (RPWD Act),

The following are the measures taken to enable the same:

- We are sensitive to the fact that different disabilities require varied support to enable employees to participate fully at work. To plan and support their needs effectively, we have a voluntary person with disability self-disclosure form for both new joiners and existing employees. Anyone with a disability is encouraged to share information on their disability, regardless of the type or level. Any information provided is kept strictly confidential and we ensure it does not impact their current work in any manner.
- Based on the information shared or assistance required, reasonable accommodations are provided to persons with disabilities to enable them to perform their job responsibilities at Eternal effectively.
- To ensure this we have appointed a disability liaison officer responsible for the welfare of persons with disability. We also have a dedicated email address, diversity@eternal.com, where folks can write for assistance or recommendations.
- There is a grievance redressal mechanism for addressing matters should anyone feel they are facing any harassment or discrimination.
