1. Background

Eternal Limited (“Eternal” or “Company”) is committed to reinforcing and upholding Health and Safety through our Health and Policy by providing a safe and healthy working environment and achieving an injury- and illness-free workplace. We provide a safe workplace to our employees and workforce by integrating health and safety in our daily business practices and encouraging everyone to be responsible for their own safety and safety of others to support an injury- free workplace. Eternal recognizes that the physical and mental wellbeing of its employees is integral to sustainable business.

2. Scope

Eternal Health & Safety Management framework provides a tool to develop and implement effective safety processes as a way of doing business. Such processes encourage a more systematic approach to meeting defined health and safety objectives and increase awareness of health and safety both on and off the job, enhancing the culture of safety.

3. Principles of the policy

- a. **Leadership and Commitment**-Top management demonstrate leadership and commitment with respect to Health & Safety by developing, leading and promoting a culture in the organization that supports the intended outcomes.
- b. **Risk Identification & Mitigation** -Assessing risks and providing controls for safety and health hazards in our operations and activities and using audits to check compliance. All identified hazards are eliminated by adopting hierarchy of risk controls and taking appropriate mitigation measures.
- c. **Incident and Accident Reporting & Prevention** - All work-related safety incidents and accidents must be reported and proper investigation shall be conducted to identify the root cause and prevent such occurrences in future. Eternal’s Health and Safety responsibilities are driven by commitment to zero harm to the people we work with and the society at large. Backed by a robust management system framework and a sound safety governance structure, we endeavor to achieve this objective.
- d. **Communication, Education and Training**- Educating, training and equipping employees, workers and value chain partners to ensure that they are empowered to avoid unsafe situations and to respond rapidly to unexpected events.

eternal

- e. **Recognition and support for mental health and wellbeing** - Driving awareness of the importance of mental health and wellbeing and supporting access to qualified mental health practitioners.
- f. **Building a Culture of Safety** - Promoting a culture of safety in the organization and value chain by organizing safety promotional activities and engaging our workforce and partners on safety initiatives. We establish, implement and maintain a process for consultation and participation of workers at all applicable levels and functions in the development, planning, implementation, performance evaluation and actions for improvement of Health & Safety.
- g. **Reporting and Continual Improvement** - Driving the implementation and continual improvement of the Health and Safety through mandatory and voluntary reporting and communication with employees, contractors and other stakeholders.
- h. **Emergency Preparedness & Response Plan** - Establishing emergency preparedness and response plans to deal with potential emergency risks. This approach also minimizes threats to the business, protecting our employees and workforce.
- i. **Regulatory Compliance**- Implementing a mandatory Occupational Safety and Health Management System across all our sites , which meets or exceeds the requirements of the health and safety laws applicable to Eternal's business.

4. Communication of policies

Eternal communicates transparently all necessary and relevant information with all the relevant stakeholders regarding policies and procedures related to Health and Safety. We ensure that all the employees are made aware of these policies and guidelines when they join the organization. During an employee's service with the organization, they are sent periodic reminders on the same and informed in case of any updates in the policy. All Eternal policies are also uploaded on our internal HRMS portal (Zoho People), which is accessible to all employees.

5. Amendment

Any change in this Policy shall be approved by the Board of Directors of the Company . Board shall have the right to withdraw and/or amend any part of this Policy or the entire Policy, at any time, as it deems fit, or from time to time, and the decision in this respect shall be final and binding.

6. Compliance

The Employee Health & Safety officer shall be responsible for the supervision of the Policy. Any queries regarding the Policy shall be referred to the email address sustainability@eternal.com

7. Interpretation

In any circumstance where the terms of this Policy are inconsistent with any existing or newly enacted law, rule, regulation or standard governing the Company, the said law, rule, regulation or standard will take precedence over this Policy
